

## **WEEKEND FOR WARRIORS DUTCHESS COUNTY, NY**

Date: September 24, 2023

To Our Brothers and Sisters at the Pleasant Valley Trout and Game Club,

Thank you for your generous donation of range time and guidance for our honorees at your magnificent facility for the Weekend for Warriors event. It is community partners like yourself that allow us to fulfill our mission of raising awareness and resources for local veterans in need as well as honoring four well deserving combat hometown heroes for their service to our community and nation.

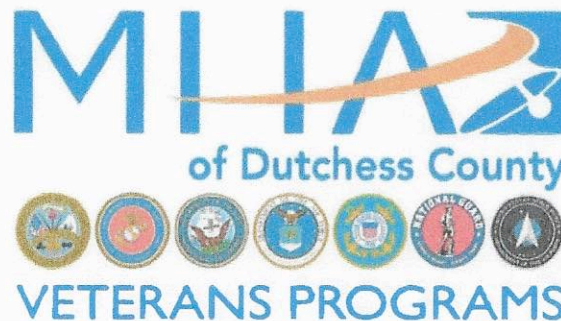

All of proceeds generated from Weekend for Warriors helps MHA's VET2VET program to continue providing vital services to our local veterans. These services include support groups, social activities, assistance in finding housing and/or employment for homeless veterans, advocacy for benefits, suicide prevention and awareness, and much more!

Once again, we thank you and look forward to many more years of partnership to come!

Sincerely, Victor Zamaloff

For The Weekend for Warriors Committee
